

XHacks Judging Info

What we're building and how you can help

Our Mission

XHacks 2021 is a 36-hour hackathon for students everywhere to not just show off their developer and design skills, but to build a product that can be used by real users, even after the hackathon. During the weekend, over 300 hackers from all over the globe, will come together to build meaningful products that last.

Event Details

XHacks will be hosted on the weekend of **August 6th to August 8th**. Hacking starts at **7:00 PM EST on Friday** and ends at **10:00 AM EST on Sunday**. All hacking must be done during this time period.

Our event will be hosted on Discord, which is an event-friendly chat application. All workshops will take place on Discord and ceremonies will be hosted on Youtube Live.

Judge Responsibilities

- Being available during a 5-hour block from **10 AM EST to 3 PM EST on Sunday, August 8th**.
- Grading each submission with a provided rubric and writing some feedback (content, visuals, demo, etc.).
- Be responsive in the Discord server and to DMs, especially during the end of the judging period for score tabulation.

Ready to help make XHacks awesome?

If your mission aligns with ours and you want to help youth get more involved and technologically strong, we'd love to have you as a judge.
